**RE: SIGN UP FOR PORTLAND CODE RED ALERTS**

---

The Portland Housing Authority is joining forces with the Emergency Management Office of the City of Portland and Cumberland County, FEMA, and many other local stakeholders to encourage as many individuals as possible to sign up for CodeRed, or download the application onto your mobile devices. CodeRed is the emergency alert system used by County and City officials in cases of emergencies. During the summer, Portland’s Prepareathon is taking place. The goal of this effort is to get as many individuals in Portland and Cumberland County to register with the system. County officials will be sending a test alert the week of August 7. **We are encouraging staff, families, and friends to take a minute and register today.** Use the link, <https://public.coderedweb.com/cne/en-US/BFF2E84D696F>, to register online, or download the application to your phone by searching for CodeRed Emergency communications networks.
